@AbbottMusicStudio 

Accredited by the ISO 9001-2015 Certification, ABBOTT MUSIC STUDIO is the only sound production facility in Pakistan with an excellent environment that promotes ideation. Artists can practice, conceive, create, develop and conceptualize their master piece in a natural environment, surrounded by whispering pine trees.

ABBOTT MUSIC STUDIO provides complete package for all kinds of audio-visual productions. The facility also provides accommodation and mess facility to the visiting artists.

Managing Director's Message

Cognizant of the critical need for a space that fosters creativity, collaboration with industry and academia, and unwavering commitment to excellence in sound and music production, development of Abbot Music Studio has been undertaken with a lot of passion.

Abbot Music Studio is a major milestone aimed at and has the potential to beacon artists (solo and bands), voiceover talent, producers & recordists in traditional and innovative Music Industry of Pakistan. The studio boasts an impressive array of state-of-the-art equipment, from precision microphones to cutting-edge digital workstations. It is an ideal canvas for sonic masterpieces and contemporary compositions.

Availability of sound proof chambers and state-of-the-art mixing console ensures that melody reaches its full potential.

The Studio has been affiliated with National University of Technology, Islamabad for a range of mid and advance level certifications and courses in musicology and sound production. Collaborative projects with academia, internships and workshops are also opportunities to be explored to optimum.

Join the Symphony of Excellence!

Testimonials

AHMED JAHANZEB

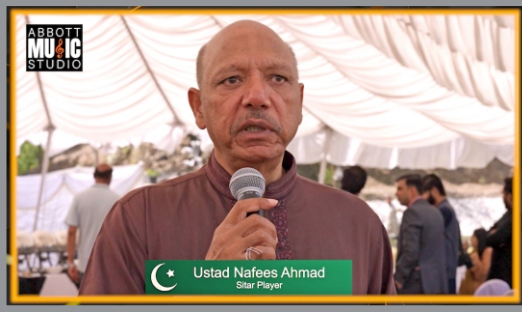

"This is the right step in the right direction and with the best people in the industry. You hardly find any other sound studio on Pakistan which matches this standard. I see a bright future for Abbott Music Studio."

SARMAD KHOOSAT

"I feel very excited that we are all talking about music at such a lovely place. This initiative to provide learning facility for music is commendable. The kind of technical facilities, environment and the ambience is ideal for enhance your creativity."

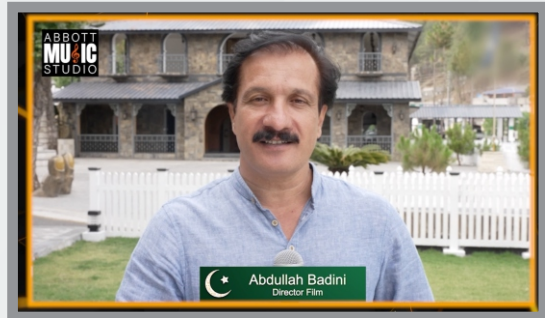

USTAD NAFEES AHMED

"Abbott Music Studio is a great initiative. The equipment is State-of-The-Art. I truly believe that this studio facility will provide an excellent opportunity for young talent to compose & record their songs."

ABDULLAH BADINI

"Abbott Music studio is equipped with the latest sound recording equipment and I am fascinated to know that a world class studio is now available in Abbottabad for the film, television and music industry of Pakistan."

SOHAIL JAVED

"What a wonderful facility. Heartiest congratulations for building and developing such a high-end facility in Pakistan. Such facilities enable the creative community to develop better content, better music, better artists and better performance. Abbott Music Studio is here to facilitate the creative community of Pakistan."

KALSOOM QAISER JILANI

"Music Studio is a wonderful addition in the music industry of Pakistan. I'm sure a lot of new talent will benefit from this great facility that offers best technical services for sound production. I wish them success and appreciate the team for developing such a fascinating studio at such an excellent environment."

WAQAS ALMAS

I am very pleased to see Abbott Music Studio. It's a commendable effort and we need more such initiatives. A State-of-the-art sound studio of this standard at such a beautiful place is an ideal environment for musicians. I think it's going to become the go-to place for musicians.

HAMZA JAFRI

"Abbott Music Studio is a great milestone achieved in the Pakistani music industry. I see Abbott Music Studio contributing immensely in the Pakistani film and music industry."
